Dear Friend of ACG,

First of all, thank you. Thank you for your encouragement and support during an especially challenging year. Throughout the pandemic, ACG has been a regional leader of sharing more art everywhere with the community both in-person (socially distanced), as well as virtually. ACG presented 7 gallery exhibitions during this time, making them all available online as virtual 3-D tours. ACG also collaborated with partners to spearhead the Creative Impact: Capital Region Artist Fund raising over \$10,000 for local artists in need. Through the Summer Youth Employment Program, we mentored 8 youth over 4 weeks as they created their own moveable murals. These are but a few examples of ACG's active year.

We are particularly grateful this year for our community's trust and collaboration in sharing creative work. Humanity turns to art for comfort, for healing, for expressing. We believe art is not a want, but a need. Join us in aiding the arts and artists of the region. If you have the means, consider contributing to the cause.

If you give:

- | | |
|---------------|--|
| \$25+ | you will be listed on the ACG website and receive a handwritten "thank you" card. |
| \$50+ | you will receive the benefits listed above, plus name recognition on the donor wall at ACG for one year. |
| \$100+ | you will receive the benefits listed above, plus an annual Artist Friend ACG membership. |
| \$250+ | you will receive the benefits listed above, plus a pair of ACG wine glasses. |

Why ACG? Albany Center Gallery is more than a gallery space that showcases high-quality exhibitions. We focus on creating and providing opportunities for regional artists, offering impactful programming and outreach, inspiring young creatives, and introducing community members to thoughtful artwork, all while collaborating with local businesses and fostering an inclusive, welcoming art space for individuals of all backgrounds.

Each dollar you donate is invested into ACG's mission to promote and exhibit contemporary visual art produced by artists living primarily in the region and to inspire interest and provide enjoyment to an increasingly diverse audience.

The future is uncertain, but we know we need art to be in it.

We embark on our year-end campaign with a goal of raising \$16,000 by December 31st, but we can't do it without your help. Every dollar you donate will be matched by ACG's Board of Directors and an anonymous donor up to \$8,000. This means the impact of your gift is doubled: \$25 becomes \$50, \$50 becomes \$100, \$100 becomes \$200, and so on.

You are invited to text "donate" to (218) 595-2294 to join the movement of aiding the arts together.

ACG can also accept gifts of appreciated securities. Please contact us for additional information.

Only with you are we able to continue the work we do with the creative community. Any amount of contribution is appreciated.

Stay safe and thank you,
